

Homework #0

Due **Tuesday February 16th** in Gradescope by 11:59 pm ET

Homework: Complete the following before the deadline above.

- Explore the Moodle page for Math 121;
 - Find the **ZOOM Office Hour** and **Dropbox** Links at the top of the page.
 - Read the Syllabus.
 - Bookmark <https://dbenedetto.people.amherst.edu/math121/>
- Click on the Video Dropbox Link. It should take you to our shared video folder.
 - Watch the *Welcome Video* on or before Monday, 2-15-20
 - Watch the *Function Video 1* on or before Monday, 2-15-20
- Drop into one of the ZOOM remote office hours on Monday or Tuesday to meet me and others. Click the ZOOM link at the top of the Moodle page. Videos on, please.
- Read Instructions for Submitting Homework in **Gradescope**.
 - Sign in to make your account in Gradescope using these instructions and the listed *Course Entry Code*. This will take some time, so please plan ahead.
- Answer the following questions. You can write them anywhere on paper or you can write them on your tablet. Scan or save the answers as a .pdf. Using the Gradescope instructions, Upload the .pdf answers into Gradescope into the Homework 0 entry. Practice tagging the question numbers. This is your practice run for Gradescope.
