Keep reading your notes every night...

IMPORTANT NOTE! You will be receiving an e-mail from the math department, with a web link, to fill out my teaching evaluation on-line. These are important to me and the course and the College, so I will appreciate it if you take the time to fully fill them out. My impression is that the math department manager will keep e-mailing you until you complete it, so try and get it done right away please. Thanks so much!
